**The Whaia te tika programme** supports our students to be better. To strive for excellence in both academic and physical pursuits is our goal. We were able to take our group of boys out to First Place Fitness Centre to do a supervised Muay Thai Kickboxing session with the Boys' Dean, Dion Crouch, with the support from Kaine Cargill-Isaacs (Student Support). The boys were pushed physically during their warm up on the spin bikes, then plyometric exercising, ending with boxing techniques and pad work. They all found it hard but as our Principal, Andrew Shortcliffe, (who mentors this group) reminds us daily "what doesn't challenge us, doesn't change us"! The girls are next week. Look out.

A big thanks to owner Tony Burton (in the picture) and one of his trainers Mei-Lan - a great gym to join!!!

Keep those Yummy stickers coming in. If you require more sheets, please contact the school.
