## Message from Blair Astwood, BOT Chairperson ...

We would like to let you know that the Principal, Andrew Shortcliffe, has been diagnosed with cancer. He will be officially absent from school as of today and will be undergoing treatment in the near future.

In Andrew's absence Angela Walters will be stepping up into the Acting Principal position and Chris Keegan into the Acting Deputy Principal position. We will also have our friend of the school, Richard Clarke, working with us during this time.

This is a very unexpected and traumatic situation for us all. Please bear with us as we work through the logistics and continue the great work that has been developing during the first half of the year.

Andrew is confident the school will maintain the high standards and quality programmes implemented this year.

We offer our love and support to Andrew and his family, we wish him a speedy recovery and look forward to his return to the school in the near future.
