This week our international students were welcomed at an official ceremony by the Mayor of Hamilton, Mr Andrew King. This involved other schools from the Waikato region and cultural performances by international students. They enjoyed an afternoon of meeting other students and tasting food with a kiwiana theme. Thank you to Hamilton City Council for their sponsorship and Shirley Wang for her organisation of this occasion. We all had a wonderful time at the Hamilton Gardens.

Kia Ora Koutou, Greetings

It has been another great week at school and it has been fantastic to see the students so engaged in their learning and involved in school life. We have been really pleased to see our students embracing our school values of courtesy, co-operation, courage and commitment. Our main focus is 'courtesy' this term, and it has been pleasing to see our students demonstrating courtesy around the school - it makes for a great learning environment.

I would like to take this opportunity to congratulate our boys and girls teams that went to the WIS Football Tournament this week. Both teams competed well and put their best foot forward on the day. There was some tough competition and we are proud of all of those involved, you did yourselves and our school proud.

It is great to see so many of you following our school Facebook page - this is where you will find our latest updates and see some great photos of our students in action. Please encourage others in our school community to follow our page if they are not currently doing so and this includes any prospective parents/caregivers who may wish to get a taste of school life at Fairfield Intermediate. We have just recently signed up to Skool Loop and will be launching a new school app in the near future. This will provide another avenue for you to communicate with school.

Also just a reminder that the school will be closed for instruction on Wednesday 29 May due to industrial action being taken by NZEI Principals and Teaching staff. We apologise for any inconvenience caused from the school being closed for instruction on this day and we really appreciate your support at this time.

Have a lovely weekend.

Kind regards.

Angela Walters
Acting Principal

Courtesy

The 4C's, Courtesy, Courage, Commitment and Co-operation, are the virtues that underpin our school. In term one, we rewarded desirable playground behaviours with a refreshing juicy but, as the weather turns, this has been replaced with a new draw system. Every card received for showing one of these virtues is worth five House points. On a weekly basis, students' names will be pulled out of a box and those students will be able to choose a prize from the basket. The prizes range from sweet treats, to stationery and even quirky gimmicks. A further 10 to 20 students' names will also be drawn and receive a juicy. It is with pleasure that we announce the first week's prize draw winners:

Jade Carroll-Taylor - Room 20
Caleb Speers - Room 29
Sarah Murphy-King - Room 30
Shylah Williams-McCaskill - Room 24
Elsie Emery - Room 3

Warakihi Te Kata-Ranapia - Room 22
Jayden Fenwick - Room 21
