Kia Ora Koutou, Greetings

It is hard to believe that we are halfway through term two already! Although a short week, with the principal and teacher strike on Wednesday, we have still managed to fit a lot of learning in. It has been great to see our students engaging in this term's big learning which is focusing on the area of Planet Earth and Beyond and Matariki. One of the highlights this week for the students has been the House trips to the Te Awamutu Space Museum - so far Kowhai, Rimu and Nikau have visited the museum, with Totara and Kauri going over the next two weeks.

Today we are launching our new school app and you will find more information further on in this week's newsletter outlining the process of how you can download it. This will provide another avenue for you to communicate with the school and to access our latest newsletters and information.

Please do not forget that next Tuesday 4 June we will be having a Teacher Only Day, which means that the school will be closed for students while as a staff we undertake professional learning in the area of writing. We have external facilitators from 'Write that Essay' coming in to work with our staff for the day. We apologise in advance for any inconvenience that this may cause, but we believe that the benefits from the professional learning will have positive benefits for your child and their learning.

All the best to our Futsal teams that will be competing in the WIS Futsal tournament on Tuesday next week. Although it is our Teacher Only Day, our school are hosting this competition off site and a big thanks to Mr Keegan for his organisation of this. I look forward to popping along and seeing our students in action. Good luck everyone!

On behalf of the rest of the staff, I would like to wish you a great long weekend and we look forward to seeing you all back on Wednesday next week.

Kind regards.

Angela Walters
Acting Principal

School Accounts

Statements have been sent out today via email or post (if no email address has been supplied). Unless you have a current regular automatic payment to the school, we would very much appreciate payment in full by the end of June 2019.

Skool Loop

From today our school will be using an online app called Skool Loop. Through this app you will be able to send your absentees via phone, email or text, access the calendar and receive newsletters. School notices can be sent directly to this app from the school and you will receive notifications. This app is completely free to download and we are recommending that all parents please download this to their smart phone. This can be done via your app store – search Skool Loop – download app – once downloaded open the app and select New Zealand - Hamilton - Fairfield Intermediate School. The app will instantly become active.

The Skool Loop App is another alternative to Facebook, newsletters, emails, etc., using today's technology to reach out to the school community.

Absence from School

PLEASE NOTE - In all cases a valid reason must be given for the absence or it will be noted as unjustified.

It is also important that if your child is late, i.e., arriving to school after the morning bell has rung, they must sign in at the Student Centre. They must do this, even if you have phoned the school to explain that they will be late. School starts at 8.45 am and it is important that all students arrive on time so that they are well set up for their day of learning.

HIGH SCHOOL MUSICAL TICKETS ARE NOW ON SALE.

Online - <https://www.trybooking.co.nz/BJT>

OR pick up an order form from the Student Centre.
