Code of Conduct Agreement

*Refer to the Fairfield Intermediate School's website, International policies and procedures, Code of Conduct Agreement.

Investigation Policy

1. The following is the School's current policy for dealing with Disciplinary Actions and Welfare Issues. This is not intended to restrict the School's general powers relating to discipline and this policy may be changed from time to time at the discretion of the School.

Overview

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage investigation process.
3. In Stage One, the School will investigate and determine the facts of the situation being considered (**the Situation**), and will reach a conclusion on what happened and whether there is a Welfare Issue or an incident that requires Disciplinary Action or the termination of the Agreement.
4. In Stage Two, if the School has determined some response is required, the School will consider the appropriate outcome for the situation, up to and including termination of the Agreement.
5. During this process, the Student will have an opportunity to provide a response to the Situation and any proposed outcome that the School is considering taking (**the Proposed Action**).
6. This policy does not limit the School's power to take appropriate action urgently and without following this process if this is necessary having regard to the seriousness of the Situation
7. This policy also does not limit the School's power to suspend the student for the duration of the investigation process where suspension is considered necessary for the safety or education of any person.

General Policy

8. When the School is conducting an investigation involving the Student it will endeavour to provide the Student with the following:

- (a) a written summary of the Situation (as it understands it) or the Proposed Action;
- (b) an opportunity to respond to the Situation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
- (c) an opportunity to consider the Situation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Situation or the Proposed Action) before giving a response;
- (d) an opportunity to contact his or her Parent before giving a response, unless the delay caused by contacting that person is unreasonable having regard to the seriousness of the Allegation or Proposed Action;
- (d) an opportunity to have an independent support person of his or her choice present at any meeting relating to the investigation process;
- (e) an opportunity to meet with that support person in private at any stage during the investigation process;
- (f) an opportunity to have a translator present (or otherwise facilitate the student participating in the process in his or her own language) during any meeting or process if the School or the Student considers that a language barrier means that a translator is required; and
- (g) a copy of this policy setting out the rights which the Student has when engaging in the investigation process.

Stage One: Incident Investigation

FAIRFIELD INTERMEDIATE SCHOOL

9. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise warrant a disciplinary response or which may constitute a Welfare Issue, the School will notify the Student of the Situation and will provide the Student with an opportunity to give a response.
10. Where appropriate, having regard to the seriousness of the Situation, the Student will have the opportunity to respond transfer either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the Situation.
11. When the School makes a decision about the Situation it will advise the Student and parent, in writing if possible, about its conclusion as to what happened and whether it considers that it requires some kind of formal response – whether Disciplinary Action, Termination or other intervention.

Stage Two: Outcome Discussion

12. If the School determines that a formal response is required, it will advise the Student and parent of the possible actions that it will consider taking in response to the Situation and will provide the Student and parents with an opportunity to give a response.
13. Where appropriate, having regard to the seriousness of the Situation, the Student and parent will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the action to be taken.
14. When the School makes a decision about the action that it will take in response to the Situation it will advise the Student and parents of its decision, in writing if possible. The action will not take effect, and no actions will be taken to put it into place, until the Student and parents have been advised of the decision.

HOMESTAY ACCOMMODATION COMMUNICATION - Mobile Phone and Electronic Device Policy during homestay duration.

PLEASE READ CAREFULLY IF YOU ARE CONSIDERING NEW ZEALAND HOMESTAY ACCOMMODATION

The school has established the following regulations regarding the use of mobile phones and electronic devices. We ask all parents and students to carefully read and strictly adhere to the policy.

1. Centralised Management of Electronic Devices

1. Upon arrival, **all mobile phones and personal electronic devices (including but not limited to mobile phones, iPads, gaming devices, etc.) will be collected and securely kept by the school's international department or accompanying teachers.**
2. Except during designated times, **students are not allowed to possess or use any electronic devices privately.** Hiding, borrowing, or sharing devices is strictly prohibited.
3. If a student is found concealing or using electronic devices in violation of this policy, **the school will impose serious consequences depending on the situation**, and the student and parents will bear full responsibility.

2. Scheduled Communication with Parents

1. **Students are only allowed to contact their parents at scheduled times** at the school. During this time a school phone will be available for limited use (we suggest a maximum of 10 minutes per session).
2. Students are **not allowed to contact parents outside of these scheduled days and times** unless there is an emergency.
3. In case of an emergency, students can communicate through the school and international staff will notify the parents immediately if necessary.

3. Why This Policy?

This policy is based on years of experience hosting international students. The rationale behind it includes:

- **To help students avoid excessive reliance on parental comfort in the early stages of adaptation**, allowing them to focus on problem-solving and building resilience.
- **To prevent misunderstandings or unnecessary concern caused by emotional or exaggerated feedback**, which could interfere with the smooth operation of the program.
- **To encourage students to fully immerse themselves in New Zealand's local school and homestay culture**, enhancing their English communication skills and intercultural understanding.

4. A Growth Journey for Both Students and Parents

We understand that letting your child live independently in a foreign country for the first time can be challenging. But please trust:

- **Your child is capable of overcoming difficulties and growing through this experience, with full support from our teachers and homestay families;**
- **The school and program organisers have established comprehensive safety and support systems**, ensuring your child is 100% safe both at school and in their homestay.

This is not only a valuable journey of growth for the child but also an opportunity for parents to practice trust and letting go.

5. If You're Not Ready Yet...

If you feel your child is not yet fully ready to live independently, or may struggle to cope without daily parental presence, you may choose one of the following accommodation options:

1. **Parent and child stay together in local accommodation (e.g., Airbnb), arranged with support from the program organizer;**
2. **Students stay in a shared house with an accompanying teacher**, who will supervise and care for them daily;
3. **Independent and well-prepared students may stay in local homestays**, offering full cultural and language immersion.

We respect every family's situation and decision and hope all choices are made based on the child's true readiness, not on impulse or peer pressure. **I have read and understood this policy** _____ (Parent) _____ (Student)
